We have taken note of - 1. Some Zones have paid over time for more hours for working on 12th and 13th November while rest have paid limiting it to 6 1/2 and 7 hours . 2. Under written or oral instructions of Head Office, recovery is made or attempted in some Zones where the payment is made more than 6 1/2 and 7 hours. 3. HO has not till date considered payment of over time for actual hours of work for all days including on 12th & 13th November, 2016. 4. Some Banks have paid over time for all days though for not actual hours worked 5. Some banks are still silent (like our bank) about payment of over time for other days (other than 12th and 13 th November, 2016).
