

Govt. Should to stop interference in Banks management- AIBEA

29/11/2024 01:35 by admin

Management should be allowed to manage the Bank The present Government is always fond of boasting that in their regime there would be "more governance and less government". During the Gyan Sangam held at Pune on 2nd and 3rd January 2015, the Prime Minister had said that "Banks would be run professionally, and there would be no interference". It was also decided that the Bank's Board should be given full autonomy on HR decisions.
