We have already informed that as decided in our Central Committee meeting, AIBEA will be participating in the ensuing nationwide General Strike on 20th May, 2025.

After that we contacted the various Unions in the Banks and insurance sector for a possible joint observation of the strike in the financial sector. Besides AIBOA and BEFI, All India Insurance Employees Association (AIIEA), All India LIC Employees Federation (AILICEF) and All India National Life Insurance Employees Federation (AINLIEF) informed that they are also joining the strike. Other Unions expressed their fraternal support to the strike.
