30th Conference of AIBEA â€“ Adjourned Delegate Session held at Bengaluru today concluded successfully.

All our units are aware that the Delegate Session of our 30th Conference had to be abruptly adjourned on the 22nd April, 2026 due to unfortunate but condemnable disturbances to the smooth conduct of the delegate session by a section of the delegates. This deprived many delegates to speak on the General Secretaryâ€™s Report on the last day of our Conference. This also created a very bade image about our organisation and injured glorious reputation of AIBEA.Â
