

FM Madam Nirmala Sitharaman says

- **Bank Nationalisation has not provided desired result**
- **Privatisation of PSU Banks will not hurt the Nation**

So, she says that Banks can be privatised

Why we oppose Privatisation of Banks

- **Privatisation means closure of many Rural Branches**
- **Privatisation means less loans to agriculture**
- **Privatisation means less loans to MSMEs.**
- **Privatisation means less Education Loans to the poor**
- **Privatisation means less loans to weaker sections**
- **Privatisation means less loan to rural infrastructure**
- **Privatisation means less social banking**
- **Privatisation means more corporate banking**
- **Privatisation means more risk to public savings**
- **Privatisation means more urban orientation**
- **Privatisation means less job opportunities**

- **Privatisation means more service charges**
- **Privatisation means attacks on permanent jobs**
- **Privatisation means less of job security**
- **Privatisation means more of contract jobs**
- **Privatisation means attack on trade union rights**
- **Privatisation means attack on uniform wages**
- **Privatisation means attack on DA linked pension**
- **Privatisation means attack on working hours**
- **Privatisation means attack on fair promotion policy**
- **Privatisation means discrimination in service condition**
- **Privatisation means attack on collective bargaining**
- **Privatisation means attack on bipartism**
- **Privatisation means unilateralism**
- **Privatisation means exploitation of workforce**
- **Privatisation means importance to private profit**
- **Privatisation means rejection of social profit**
