

## Another attack on job security by Govt.

05/11/2024 08:06 by admin

Another emerging attack on job security Attempt to terrorise and intimidate employees and officers Get ready to resist and repulse All of us are proud that job security of bank employees has been one of the important achievements of bank employees trade union movement under the banner of our AIBEA. But there have been many attempts in the past to attack the job security of bank employees. By our vigilance and struggles, we have thwarted all these attempts. Now one more attempt is emerging before us.
