Today is really a momentous day for all of us in Federation. History has been created by our valiant soldiers of Punjab unit. During their visit of Jammu yesterday they were able to convince Com. Anil Sotra who had been the leader of BEFI union so long to join the mainstream of Bank employees movement, AIBEA. Along with Com. Anil, thirteen (13) comrades from different branches of Jammu have joined our organization. We warmly welcome all of our dear brothers and sisters of Jammu & Kashmir in the majority workman union of UCO BANK. We profusely thank Com Anil Sotra for taking this wise decision to join the majority and mainstream trade union of the banking industry and our bank too.
